13 **ORDER ADMINISTRATIVELY  
TERMINATING MOTION**

14 Re: ECF No. 5245

15 The Indirect Purchaser Plaintiffs (“IPPs”) have moved for preliminary approval of class  
16 action settlement with Defendant Mitsubishi Electric Corporation. ECF No. 5245. The IPPs  
17 requested that the Court defer ruling on this motion, and the Court stayed consideration of the  
18 motion “until the IPPs request that the Court rule on it, or until the Court issues a further order.”  
19 ECF No. 5305. The motion is now administratively terminated. Once the IPPs request a ruling, or  
the Court issues a further order, the Court will rule on the motion without need for action by any  
party, unless otherwise ordered.

20 **IT IS SO ORDERED.**
